Any number of the journal contains three main sections: (i) Literary Section (in Bulgarian), (ii) Historical Archives (chiefly in Bulgarian) and (iii) Scientific Section (usually in English with research papers in the fields of Local/Family History, Oral History, Heritage Studies, Rural Studies, Memory Studies, etc.)

## GUIDE OF AUTHORS

Papers in the Scientific Section of Venets should contain: original research; new interpretation or insight of material already in the public domain; or a description that brings to a wider audience material of limited availability, or that is available only in disparate locations. Papers offered for publication in Venets should not have been published previously.

Contributors from all over the world are encouraged to send manuscripts in the above mentioned areas that should be written in a readable and scholarly manner. Manuscripts (in English or in Bulgarian) should not exceed 25 standard pages including illustrations, tables, figures and references. Articles must be accompanied by a summary of size not exceeding 20 lines.

*Style should conform to that of the Publication Manual of the American Psychological Association (APA).*

The electronic submission of the manuscript (in word format) is preferable.
